**RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)**

**16K999 Complaint Inspection**

**Compliance Date:** Not Specified  
**Not In Compliance**  
**Violation Reference** - HSC

**Inspector Comments:** Complainant stated "there is black nats in the dining area and in one of our water glasses the manager stated they were coming from the drains in the kitchen. There was black hair in one dish, blond hair on the steak, nail polish chips in the broccoli soup and lady in the next booth brought her yorkie dog in, it was clearly not a service animal, the waitress saw it but the lady was still not asked to leave.

Observed flies in facility by soda machine and in dry storage room. Operator states facility has eliminated leak in drain of kitchen and has obtained pest control to eliminate flies nest. Observed receipt for pest control obtained. Facility will continue to eliminate flies from facility. Maintain ice holder closed for two soda machines.

Maintain back door air curtain on.

Operator states facility welcomes service animals. Facility must maintain facility free of vermin and live animals that are not for service. Observed no animals at time of inspection.

Ensure employees who handle and serve food have hair restrained to avoid falling into food. Observed one employee with long bangs.

**Violation Description:** A complaint report has been received by Environmental Health.
