 Facility is authorized to re-open by DEHS.

Violation Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: **Not Specified**
 Not In Compliance
 Violation Reference - **HSC**

Inspector Comments:
 -A follow-up re-inspection was conducted at facility regarding vermin (cockroach) infestation that was observed in facility on 02-19-15 during a routine inspection.

- Upon inspection, observed the following:
1. One half live and half dead cockroach on the floor beneath large oven at cook's area.
 2. Two dead cockroaches on the floor below dishwasher at ware wash area.
 3. Two dead cockroaches on the floor, next to reach-in freezer near dry storage room.
 4. Per operator, most equipments and utensils have been washed, rinsed, and sanitize.

Ensure all areas affected by cockroach activity are thoroughly cleaned and maintained to prevent possible contamination of food products.

- NOTE:**
- Observed pest control invoice dated 02-18-15.
 - Observed make-shift shelves attached to refrigerator at cook's line free of cockroach.
 - Observed floor at reach-in freezer near dry storage room free of cockroach.
 - Observed steam table (on and below) free of cockroach.
 - Observed cooking stove free of cockroach.
 - Observed prep table, next to fryer free of cockroach.

Violation Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

NOTE:
 -Facility is authorized by Division of Environmental Health Services (DEHS) to re-open
 -Facility permit is re-instated, per DEHS.
