16K994 Reinspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: Reinspection conducted on this day due to facility observed open for operation after being instructed to close during routine inspection conducted 8/9/22 due to active cockroach infestation.

Facility was observed open for operation and actively serving customers prior to being reinspected by Environmental Health Services (EHS) to confirm elimination of cockroach infestation. Prior to opening for operation facility was advised to successfully eliminate cockroach infestation, take appropriate measures to prevent entrance and attraction of vermin, and to clean and sanitize all affected areas. Once completed, a reinspection is to be conducted to confirm compliance prior to opening for operation.

Discontinue operating until reinspection is conducted by EHS and permit is reinstated. "Notice of Closure" sign remains posted.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

Permit remains suspended and facility closed.

"Notice of Closure" sign remains posted.
