### RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K999 Complaint Inspection

Compliance Date: Not Specified

**Inspector Comments:** Nature of complaint: The complainant stated there is no hot water available in the facility.

Reference - HSC

Complaint observations:

Observed no hot water at the facility during complaint inspection. Observed the highest water temperature at the facility to be 86 F at the mop sink.

Observed the following water temperatures from the following sinks:

- Preparation sink: 77 F
- Handwash sink next to prep table 77 F
- Handwash sink across walk in refrigerator 77 F

Provide hot water of a minimum of 120 F throughout the facility.

The facility will be closed due to no hot water. Contact health department when ready for a re-inspection. DO not reopen the facility without the approval of a representative of environmental health.

Closure sign posted. Letter grade card "B" was removed and will be reposted when reopened. Note: The facility has had problems with not having hot water during their last routine inspection.

Note: The operator stated the water heater was off. The operator turned the water heater back on but was unable to measure hot water of a minimum of 120 F at the facility.

**Description:** A complaint report has been received by Environmental Health.
