RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K995 Permit - Suspension

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC

Inspector Comments: Due to imminent health hazard, the permit to operate the facility is hereby suspended and the facility ordered closed until roaches and other vermin are completely eliminated from the facility. The permittee has right to a hearing if requested in writing within 15 calendar days of this notice to show cause why the permit should not be suspended or revoked. Closure sign posted. Call (800) 442-2283 for questions.

Violation Description: Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: RE: Roach Infestation Complaint

Reference - HSC

Our department received a complaint of roach infestation. The complainant stated that on 8/24/19, a group of friends were seated in A6 booth and saw various roaches coming behind booth seat and one actually fell from the ceiling into one of the soup bowls. The complainant added that one of the employees killed one live roach on the wall with a napkin when the situation was brought to his attention.

Observed live and dead adult/nymph German roaches almost everywhere in the facility today. Photos and video taken. Take effective steps to completely eliminate roaches and other vermin from the facility.

The manager stated that the facility is being treated and maintained for roaches and other vermin by the Antmart Pest Management once every month.

Due to imminent health hazard, the permit to operate the facility is hereby suspended and the facility ordered closed until roaches and other vermin are completely eliminated from the facility. The permittee has the right to a hearing if requested in writing within 15 calendar days of this notice, to show cause why the permit should not be suspended or revoked.

Closure sign posted. Call (800) 442-2283 for a re-inspection.

Note: The facility was ordered closed on 8/22/19 because of roach infestation and was re-opened on 8/23/19 upon a request to re-inspect. This is continuous violation. Therefore, the facility is ordered closed. A Supervisory Review is hereby scheduled for Tomorrow, Wednesday, 8/28/19 at 1:00 pm in our office; Environmental Health Services, 385 N Arrowhead Ave, 2nd Floor, San Bernardino, CA. Call (800) 442-2283 for questions.

Description: A complaint report has been received by Environmental Health.
