RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: A complaint inspection was conducted on this date in response to a complaint received by Environmental Health Services.

Reference - HSC

Nature of complaint:

The complainant alleged that there was a dead cockroach found inside of their food bowl and that the facilities floors were dirty and sticky.

Findings:

- Person in charge was not aware of the complaint and stated that no other complaints have been made of that nature.
- Pest control services invoices were provided by manager stating last day of service was on 5/23/22

Observed the following:

- No adulterated food was observed at the time of inspection
- Observed several dead cockroaches under the metal storage racks for the paper goods storage area
- Observed several dead cockroaches under the metal storage rack near the mop sink and across near the CO2 tanks.

A follow up inspection will be conducted on 6/21/22 to verify compliance of cleaning and sanitizing areas where vermin were located.

Complaint remains open.

Description: A complaint report has been received by Environmental Health.

16C023 No rodents, insects, birds, or animals

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 114259.1, 114259.4, 11425

Inspector Comments: Observed several dead cockroaches under the following places:

- Metal storage racks for the paper goods storage area
- Metal storage rack near the mop sink
- Across the mop sink near the soda dispensing machine and CO2 tanks.

Clean and sanitize areas and maintain facility free of vermin.

Note: After a thorough search of the facility no active or live cockroaches were observed during the time of inspection.

Violation Description: Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)

Overall Inspection Comments

No summary comments have been made for this inspection.
