#### 16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** This complaint alleged that on 5-20-15 a customer purchased two burritos from this location and the meat inside of these burritos appeared old and spoiled.

**Description:** A complaint report has been received by Environmental Health.

#### Overall Inspection Comments

Upon inspection, it was observed that management from this facility was not contacted about this complaint.

All meat deliveries are received once a week, on Mondays. The meat is shipped from Alberto's Meat Shop, 2595 Commerce Way, Vista CA.

Raw chopped beef was observed thawing at room temperature on the dry storage rack at the beginning of this complaint investigation. The internal temperature was not in the danger zone at that time. Thaw all food items properly at all times. This was corrected at this time.

Also, soiled wiping towels were observed to be lying out on non-food and food prep surfaces. Store all wiping towels properly in sanitizer during pauses in use. This was corrected at this time.

All other food prep, food storage, warewashing, etc. were observed to be in compliance at this time.

Case closed.

Correct any other noted violations from the last inspection report.
