Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Inspector Comments: Permit reinstated due to elimination of cockroach infestation.

Not In Compliance

Reference - HSC

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified

Inspector Comments: Reinspection conducted on this day as follow-up to facility closure 12/8/21. On that day during complaint investigation, facility was closed and permit suspended due to active cockroach infestation.

Not In Compliance

Reference - HSC

Operator was advised to take proper measures to eliminate vermin infestation, and ensure facility is maintained free from vermin at all times.

Manager stated pest control serviced facility 12/9/21, with all interior and exterior areas treated for cockroaches. Invoice dated 12/6/21 that was not available during complaint investigation conducted 12/8/21 was provided at time of reinspection.

During reinspection, no live cockroaches were observed in facility. One dead adult cockroach was observed in drain of handwashing sink located in rear of facility.

Excessive grease and food accumulation located beneath fryers and sticky traps with excessive cockroaches in rear of facility observed removed.

Due to removal of cockroach infestation, facility may open for operation (see permit reinstated comment).

Reinspection will be conducted in one (1) week to ensure cockroach infestation remains eliminated.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

16K033 Nonfood-contact surfaces clean
