Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### No Violations Cited

#### Overall Inspection Comments

This re-inspection is being conducted at the request of the operator. On 5-3-2016 the health permit to this facility was suspended due to evidence observed of a rodent infestation in the front preparation area. Rodent droppings had been observed under the wash sink and hand sink. On this date no signs of a rodent infestation and no rodent droppings were observed. According to the manager all food preparation counters and food contact surfaces had been thoroughly cleaned and sanitized. After a complete inspection of the entire front and rear kitchen facility-no evidence of a rodent infestation was observed this date.

Continue to maintain this facility free from vermin-including but not limited to rodents.

The health permit to this facility was re-instated this date.

Note-This facility was closed at the time of this inspection. The Notice of Closure sign was removed this date.
