Inspector Comments: RE: Complaint

Our department received a complaint that a cashier was observed selling food at about 5:40 pm on 7/2/18 despite the fact that there was a sign on the window that closed the food section of the facility down by the Health Department.

A written order was issued at the Supervisory Review meeting held yesterday, 7/2/18, to remove all foods from the sale area. At the time of inspection today, foods are observed on several shelves in different aisles. Photos taken. Immediately remove all food from the sale area. Failure to comply may result in legal actions!

The food section of the facility is to remain closed until the agreement reached at the Supervisory Review meeting of yesterday, 7/2/18, have been met.

Description: A complaint report has been received by Environmental Health.
