Compliance Date: Not Specified

Not In Compliance

Reference: - HSC

Inspector Comments: Environmental health has received a complaint stating that complainant purchased chicken on 3/16/15 went straight home with the chicken, opened the chicken and the chicken smelled rotten, had feathers on it and what appeared to be pebbles of feces.

Manager was informed about the complaint upon arrival at the facility. Routine inspection was conducted in conjunction with complaint. During inspection no observations of feathers or pebbles of feces. Operator provided invoice of chicken supplier. Operator stated that chicken comes ready to be placed on display for purchase. See routine inspection for further information.

Description: A complaint report has been received by Environmental Health.
