RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K990 Survey Inspection

Compliance Date: Not Specified
Not In Compliance
Reference - SBCC - SBC Policy

Inspector Comments: The purpose of this visit was to conduct a survey in regards to facility's water system testing positive for E.Coli.

On this date, person in charge stated that facility has been closed for food service due to COVID-19. Facility is only open for business for souvenir sales and tourist attraction. Observed no evidence of food preparation at the time of inspection. Upon questioning, owners stated that bags of ice and water bottles were bought immediately after water board stated that water in facility tested positive. Facility stated that the water was tested positive on Thursday, 06/04/2020.

The following corrective actions were taken after water was tested positive:

- Owner stated that pipes and water system are flushed out with half a gallon of bleach every other day since Thursday, 06/04/2020
- Owner stated that well is sealed so that water will not be contaminated from outside sources
- Owner bought bottles of water and approximately 20 lbs. of ice and stored water bottles in freezer

On this date, observed approximately 4-5 containers of 1-2.5 gallons of water in the facility and approximately 1 bag of 20 lbs. of ice. Owner stated that approximately 20 lbs. of ice is bought daily. Observed ice bins to be empty and no food preparation is occurring at the time of inspection. Additionally, facility has been self closed due to COVID-19 and has not been open for food service since early March 2020. Indicated to owners that public restrooms shall not be available for customer use due to contaminated water. Prior to end of inspection, observed sign in front of restrooms stating that they are not operating, as placed by owner.

Owner stated that the water testing lab is scheduled to come back to test water system in facility on Thursday, 06/11/2020. A follow up inspection will be conducted on Tuesday, 06/16/2020 to ensure that water is safe for use at this facility.

Description: A survey inspection was conducted on this date.

Overall Inspection Comments

Owner stated that the water testing lab is scheduled to come back to test water system in facility on Thursday, 06/11/2020. A follow up inspection will be conducted on Tuesday, 06/16/2020 to ensure that water system is safe for use at this facility.
