### RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K992 Permit Reinstatement

Compliance Date: Not Specified  
Not In Compliance  
Reference - HSC

**Inspector Comments:** On this date, all major violations observed during the routine inspection conducted on 11/15/2018 have been corrected and no evidence of live vermin activity were observed during the re-inspection.

The permit for this facility is reinstated on this date. The notice of closure sign was removed and a letter A card was posted. This facility may no reopen to the public and continue normal operations.

A follow up inspection will be conducted within 10 days to observe continued compliance.

**Description:** The health permit to operate is hereby reinstated and facility may open.

#### 16K994 Reinspection

Compliance Date: Not Specified  
Not In Compliance  
Reference - HSC

**Inspector Comments:** On this date a re-inspection was conducted per the operators request. The facility was observed to be closed at the time of the re-inspection with the notice of closure sign posted in the window. During the routine inspection that was conducted on 11/15/2018 signs of a current vermin infestation were observed.

At the time of re-inspection, all major violations were corrected that were observed on 11/15/2018. After a thorough inspection of the back storage room and the facility, no signs of vermin were observed. All stored food items in the back storage room were removed from the facility and a thorough cleaning was conducted.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

#### Overall Inspection Comments

Observed the motor cover of the True merchandiser display fridge to be reinstalled.

A follow up inspection will be conducted within 10 days to observed continued compliance.
