**Inspector Comments:** Complaint stated facility floor was dirty, dishes in buffet area were wet with food debris stuck to them and salad bar was unkempt.

During complaint inspection, observed the following:

- Salad bar had some food debris (egg, cheese and lettuce) around a few containers. Per manager, salad bar is wiped down when dirty. They do not have a set schedule for cleaning the salad bar.
- Observed some food debris under tables in customer dining area. Per manager, floors are cleaned every morning.
- Did not observe any food debris on bowls or plates in buffet area. Plates and bowls were not wet. Spoke with dishwasher and dishes are pre-cleaned before being placed in the dishwasher.

Note: Observed dish washer stack a wet metal container, that was just cleaned in dishwasher, on top of other dry containers. Dishwasher uses chlorine as sanitizer. Ensure dishes and other equipment are thoroughly air dried before using, stacking or storing.
