RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K993 Re-Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The purpose of the visit is to conduct a re-reinspection. On 12/09/2021, the permit was suspended due to rodent infestation and reinstated on 12/13/2021. The operator was informed that a billable re-reinspection would be conducted on a later date to determine compliance.

On this date, the manager provided the most recent pest control service conducted in the facility. According to the invoice on 1/7/2022, rodent droppings were found in interior and exterior sides of ceilings.

On this date, observed gaps and crevices to be sealed throughout the facility. Observed multiple glue traps throughout the facility. Per manager, approximately three (3) rats were caught few days after 12/13/2021.

On this date, few rodent droppings were found. See 16C023.

Outcome:

The health permit is suspended due to evidence of rodent infestation.

The health permit shall not be reinstated until all of following has been completed:

1. Eliminate all vermin activities, including but not limited to rodent droppings. Remove all excess clutter from the facility, as well as personal belongings to allow for effective pest control service.
2. Thoroughly clean and sanitize all affected surface areas.
3. Thoroughly clean facility to remove accumulated food residues and debris.
4. Inspect the facility and look for signs of vermin activity.

Recommend following:

1. Call pest control service immediately.
2. Eliminate harborage areas such as gaps in the wall/ceiling/shelving surfaces or deteriorated surfaces that can serve as future harborage areas.

Description: Billable re-reinspection conducted at this time to determine compliance from prior reinspection.

16K054 Permit Suspension

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 114409, 114405

Inspector Comments: The permit is suspended on this date.

Violation Description: If an imminent health hazard is found, an enforcement officer may temporarily suspend the permit and order the food facility immediately closed. (114409, 114405)

16K023 No rodents, insects, birds, or animals

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 114259.1, 114259.4, 11425

Inspector Comments: Observed rodent droppings at following areas:

1. One on soda syrup pipes inside white cabinet underneath cash register and soda fountain machine
2. Three on a box of seasoning in mid kitchen
3. Three below soda syrup rack next to water heater.

Remove all vermin from the facility, including but not limited to vermin droppings.

Violation Description: Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)
