RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

No Violations Cited

Overall Inspection Comments

This Division received a complaint stating that Los Carnales was actively preparing food while experiencing a sewage problem. Per complaint, the establishment smelled of sewage.

At time of inspection, observed the following:

- Per management, all plumbing is in good condition.
- Per management, this establishment has not had any recent sewage problems.
- Per management, a plumber was on site today to fix a leak at the cook line prep sink.
- Observed exterior and interior of establishment.
- Observed plumbing, floor sinks, sinks, and toilets at time of inspection. Observed plumbing in good working order.
- At time of inspection, observed no smell of sewage on site at time of inspection.
- Observed leak at cook line prep sink at faucet. Per management, plumber to return with fixture for sink.

Ensure plumbing is in good condition at all times.

-Unable to confirm complaint at this time.
