Inspector Comments: Our department received a complaint of employees not handling food properly and not washing hands before handling food. The complainant added that fish (stingray) is observed being transported in an open vehicle (truck bed). The owner, Israel, stated that the fish was transported frozen.

As a reminder, employees shall wash their hands properly before preparing/handling open food. Also, food shall be prepared, served, and stored in a safe and sanitary manner at all times.

Description: A complaint report has been received by Environmental Health.
