16K999 Complaint Inspection

Compliance Date: **Not Specified**
Not In Compliance
Violation Reference - **HSC**

Inspector Comments: My husband and I had dinner in the bar area, upon finishing one large sized cockroach scurried across the table, along came another and underneath their were several others. The unfortunate part is the staff did not seem apologetic or surprised .

Violation Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

I observed the report from the Pest Control Company - facility is scheduled to be treated every week for the next two months. I observed one live nymph in front of the grill area, and many dead ones in the bar area. Maintain cleaning and extermination, remove any waste cardboard, and I will follow up with the routine inspection.
