No Violations Cited

Overall Inspection Comments

This department received a complaint stating that El Torito Restaurant experienced a stove fire causing the sprinkler/fire suppression system to be activated (March 19, 2015).

Per management, after the fire was suppressed, fire damage was observed at the grill and cheese melter.

Fire damage was also observed at the stainless steel cook line back splash.

Per management, the cook line equipment, the cook line food prep station, food, food contact surfaces, utensils/flatware/dishware was impacted by the release of fire suppression chemical.

Per management, after the emergency, impacted food items were placed in the trash by staff.

Impacted cook line equipment was checked for safety.

The impacted cook line station was cleaned and sanitized.

From March 19 - March 25, El Torito Restaurant worked closely with the Upland Fire Department, the City of Upland and various contractors to ensure that the cook line equipment and fire suppression system was safe and in good working condition.

Per management, the fire suppression system was recharged/repared up to City code .

Impacted walls from the fire were repaired.

The impacted stainless steel back splash was replaced at cook line (2 panels).

Per management, the cheese melter was the only cook line equipment to be discarded/removed.

At time of inspection March 25, 2015:

Observed hood/vents in good working order.

Observed cook line equipment clean and sanitized.

Observed refrigerated cook line drawers cleaned and sanitized.

Observed refrigerated cook line drawers cold holding at 41F and below.

Observed reach in cleaned and sanitized. Observed proper cold holding temperatures.

Observed the cook line equipment, the cook line food prep station, food contact surfaces, utensils/flatware/dishware cleaned and in good condition.

Observed cook line flooring clean.

Observed two hanging fire extinguishers at kitchen and cook line areas.

Observed the fire suppression system. Observed Upland City Plans for the fire suppression system.

Observed the Upland Fire Department certification for the fire suppression system. Observed certification signed and dated by the Upland Fire Department.

Ensure cook line equipment is maintained in good working order.

Ensure proper fire safety practices are followed by staff.

Per the Department of Public Health, El Torito may re-open to the public on this day at 4:30pm.
