See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified **Inspector Comments:** Permit is reinstated and facility may reopen once transfer of ownership is approved.
Not In Compliance
Reference - HSC

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified **Inspector Comments:** A follow-up inspection was conducted due to facility being closed during a Plan Check consultation which noted the ventilation hood was not functioning and hot water in the facility did not reach 120F.
Not In Compliance
Reference - HSC

On this date:
 - the hot water was observed to reach over 120F in all sinks.
 - the ventilation hood was functional and was observed to be drawing in air.

Conclusion: The facility is compliant with a functional ventilation hood and hot water requirement. Permit is reinstated and facility may reopen once transfer of ownership is approved.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

Permit is reinstated and facility may reopen once transfer of ownership is approved.
