16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: Our department received a complaint of flies infestation and restrooms not in service. The management is already aware of the problems. The complaint is valid. Observed a lot of flies in the prep area at the time of inspection. Take effective steps to eliminate flies from the facility. The person in charge at the time of inspection, Patty, stated that the restrooms were not in service for sometimes the previous week because of the plumbing issues. She stated that the facility was closed down for a couple of days the previous week to rectify the plumbing problem. The restrooms are working properly at the time of inspection.

Description: A complaint report has been received by Environmental Health.
