Violation Reference - HSC

Inspector Comments: IMMEDIATE HEALTH PERMIT SUSPENSION AND CLOSURE The permit to operate the above named food facility is hereby temporarily suspended, and the facility is ordered to immediately closed under the authority of Sections 114405 and 114409 of Division 104, Part 7, Chapter 13 Article 3 of the California Health and Safety Code. The attached inspection report specifies the conditions that warrant this closure and the sections of the law that have are being violated. Any food facility for which the permit has been temporarily suspended shall cease all food handling, close and remain closed until all conditions warranting the closure are corrected and your permit has been reinstated by a representative of Environmental Health. An owner, manager, or operator who fails to comply with this Closure Notice may be found guilty of a misdemeanor, with a possible fine of \$1000.00 and/or imprisonment for not more than six months for each offense. This Health Permit Suspension and Closure Notice is issued to you under the authority of the California Health and Safety Code, Division 104, Part 7, Chapter 13, Article 3. Copies of the Code Sections referred to herein may be reviewed at most public libraries, the internet, or Environmental Health. Contact this office at the number noted above, during normal days of business if you have any questions. A "Notice of Closure" seal was issue on this date. REASON FOR CLOSURE: Rodent activity in multiple areas. Violations observed on this date pose an immediate threat to public health and safety and the permit to operate is hereby suspended and ordered closed until the listed violations have been corrected and verified by DEHS. The facility is to remain closed until a mandatory supervisory hearing is attended by a representative of the facility and permission is granted from DEHS. Contact your inspector at your local office to schedule a re-inspection to reinstate the health permit. The facility has been posted closed, do not move, hide, or remove sign.

Violation Description: Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

LOCATION 835 E 3RD ST, SAN BERNARDINO, CA 92410	INSPECTOR Tamara King

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The purpose of this visit was to conduct a follow up for a complaint investigation for complaints received by the Division of Environmental Health on 7/27/2018 (CO0062513 and CO0062515) A new complaint investigation was simultaneously conducted for a complaint received 8/7/2018 (CO0062698)

On the previous complaint investigation the following was observed:

No live cockroaches were observed.

Deceased cockroaches were observed in the following areas:

- 1) One (1) on a glue trap by the rear door to the facility.
- 2) Many on a glue trap in the employee restroom behind the toilet
- 3) One (1) under the fryer stuck in in grease

Pest control records were observed for the following dates: 1) 7/20/2018- records indicated Orkin serviced the interior monitors and traps in the facility. Minor roach activity was observed. Chemical treatment was observed. 2) 7/27/2018- records indicated a chemical treatment was conducted to knock down ant activity. no mention of roach activity was noted.

On this date (8/7/2018) the following was observed:

- 1) One (1) nymph cockroach in the employee restroom adjacent to the kitchen (door opens into the kitchen area)
- 2) Two(2) dead adult cockroaches on a glue trap located at the rear door to the facility.
- 3) Multiple dead and live cockroaches on a glue trap in the kitchen under the steam table area at the opening between the kitchen and back storage area.
- 4) One (1) live young cockroach in the kitchen, under the steam table area where the kitchen and back storage area opening is located

Completely eliminate the active rodent infestation and ALL evidence of the infestation. Repair ALL gaps in the holes walls, ceiling, and duct work that may allow for potential entrance and or harborage of vermin in the facility. Thoroughly clean and sanitize all food contact surfaces and areas where cockroach activity was observed. Provide your local health inspector follow ups regarding progress of elimination of the infestation by sending the Pest control records via email or text to your health inspector, including Orkin pest control documents immediately after their follow ups.

Prior to a re-opening inspection being conducted, the facility shall correct the observed violations, Request a non-graded reinspection, and participate in a Supervisory Review. All evidence of cockroach activity and all vermin must be eliminated from the facility and all directives provided via inspection reports and the supervisory review must be completed. The supervisory review will be conducted at the Environmental Health Department San Bernardino office located at 385 N. Arrowhead Ave. San Bernardino, CA 92415. A representative of the Division of Environmental Health will be in contact with the facility to provide a hearing date and time.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

16K023 No rodents, insects, birds, or animals
