#### 16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** A follow up inspection was conducted on this date to verify compliance of eliminating rodent droppings/insects, grease filters on the ventilation hood, and harboring of miscellaneous equipment in the storage room to prevent attraction of vermin/insects.

During a routine inspection on 05/10/2022, the grease filters for the ventilation hood were observed to be missing, several ants were in the storage room underneath the storage rack containing containers of food, harboring of miscellaneous equipment in the storage room, and several rodent droppings and dead cockroaches were observed inside the cabinet underneath the soda machine, inside the storage room, and in the dining area. On this date, observed the grease filters to be placed properly inside the ventilation hood. Observed no old or recent rodent dropping underneath the soda machine cabinets, underneath the tables in the dining area, and inside the storage room. Observed less harboring of miscellaneous equipment to be displayed in an organized manner in the storage room. Observed ants located in the storage room crawling within cracks of the floor underneath the storage rack storing containers of sugar, and rice (See violation 16C023). No contamination or adulteration of insects on the food was observed. Observed "B" grade card from the last inspection (5/10/2022) to be missing and removed from original posted location (See violation 16C047).

The facility was observed to not be in compliance.

A billable re-inspection will be conducted on a later date to verify compliance of eliminating insects in the storage room.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.
