**Inspector Comments:** The Division of Environmental Health received a complaint on 8/17/15 regarding facility. Complainant stated that the facility has a lot of flies inside and the air conditioning is turned off.

Observed the front door propped open and air curtain on upon arrival. Ensure to maintain doors closed in order to prevent access by vermin, flies, etc. Ensure to maintain door propped open with air curtain only during delivery times. Observed no flies, vermin, pests, or possible cause for such in the facility during inspection. Observed cleanly floors and all units functioning properly. The person in charge stated that the air conditioner was not functioning properly but the landlord had the unit repaired one week prior. Observed air conditioning unit operable, ventilation system above grill functional, and ventilation system in cold holding units functional. Observed no adulterated or compromised food.

Ensure to continue to provide proper ventilation in appropriate areas and maintained door closed when not receiving shipments. No additional inspections are necessary at this time.

**Description:** A complaint report has been received by Environmental Health.
