**Inspector Comments:** A reinspection was conducted on this date to re-post the "C" grade card at the facility.

On routine inspection 8/19/20, the facility earned a "C" grade which was posted in the front window. On this date, it was noted the grade card was not visible and had been moved.

On interview, a food worker stated the card had been moved to where the previous grade card had been, which was in a lower front window, under a table, not visible to the public.

On this date, the grade card was re-posted in the front window to be visible to the public. The food workers were reminded to not obscure, relocate, or remove grade card. Failure to comply may result in a billable grade card reposting follow-up at a rate of \$245.00 per hour, with a minimum of 30 minutes.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.
