RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K054 Permit Suspension

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC - 114409, 114405

Inspector Comments: Permit suspended due to lack of hot water in facility and because ventilation hood over oven was not functioning. Repair/adjust/replace water heater, and repair ventilation hood over oven. Once these corrections have been made, contact San Bernardino County Environmental Health Services at (800)442-2283 to schedule a reinspection prior to operating. Closure notice posted at door of facility.

Violation Description: If an imminent health hazard is found, an enforcement officer may temporarily suspend the permit and order the food facility immediately closed. (114409, 114405)

16K021 Hot and cold water available

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC - 113953(c), 114099.2(b)

Inspector Comments: Observed that hot water in facility was 84F. Contact stated that water heater was in attic.

Permit suspended due to lack of hot water in facility. Repair/adjust/replace water heater, and ensure that hot water is a minimum of 120F. Once this correction, and the other correction noted in this report, have been made, contact San Bernardino County Environmental Health Services at (800)442-2283 to schedule a reinspection prior to operating. Closure notice posted at door of facility.

Violation Description: An adequate, protected, pressurized, potable supply of hot water and cold water shall be provided at all times. (113953(c), 114099.2(b) 114101(a), 114189, 114192, 114192.1, 114195)

16K038 Adequate ventilation and lighting; designated area

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC - 114149, 114149.1

Inspector Comments: Observed that ventilation hood over oven was not functioning.

Permit suspended because ventilation hood over oven was not functioning. Repair ventilation hood over oven. Once this correction has been made, and the other correction noted in this report has been made, contact San Bernardino County Environmental Health Services at (800)442-2283 to schedule a reinspection prior to operating. Closure notice posted at door of facility.

Violation Description: Exhaust hoods shall be provided to remove toxic gases, heat, grease, vapors and smoke and be approved by the local building department. Canopy-type hoods shall extend 6" beyond all cooking equipment. All areas shall have sufficient ventilation to facilitate proper food storage. Toilet rooms shall be vented to the outside air by a screened openable window, an air shaft, or a light-switch activated exhaust fan, consistent with local building codes. (114149, 114149.1) Adequate lighting shall be provided in all areas to facilitate cleaning and inspection. Light fixtures in areas where open food is stored, served, prepared, and where utensils are washed shall be of shatterproof construction or protected with light shields. (114149.2, 114149.3, 114252, 114252.1)

Overall Inspection Comments

Permit suspended due to lack of hot water and because ventilation hood over oven was not functioning.
