Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: Observed no live cockroaches in the facility. The facility may now open for business. The health permit has been reinstated.

Description: The health permit to operate is hereby reinstated and facility may open.

16K993 Re-Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The purpose of this billable re-inspection is to verify that the facility is free from vermin. The facility was closed on 6/26/18 on a routine inspection for vermin infestation, cockroaches. A follow-up inspection was done on 6/28/18 in which cockroach activity was still observed.

On this date, a dead nymph cockroach was observed by the service window located behind the cashier register. After a thorough inspection of the kitchen and facility, no live cockroaches were observed. Observed no other dead cockroaches in the facility besides the service window. The health permit for the facility will now be reinstated. The facility may now open for business.

Continue to work on maintaining the facility free of vermin including but not limited to cockroaches. Thank you for your compliance.

Description: Billable re-reinspection conducted at this time to determine compliance from prior reinspection.
