16K888 Food Worker Certification - Billable Re-Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - SBCC - 33.0410, 33.0411

Inspector Comments: The food worker card program has not yet received the completed missing food worker card form left at the facility during a routine inspection on 4/20/2015. At the time of follow-up inspection, PIC had 2 of the 3 employee food worker cards that were missing - these were cleared in the field. PIC stated that he would follow up with the last employee currently missing their food worker card. Facility has been granted (7) additional days to submit the completed missing food worker card form to our office. Failure to do so will result in a second billable re-inspection that will be conducted at a later date to verify compliance.

Description: During your last routine inspection, it was noted that your facility was in violation of the food worker certification requirement for San Bernardino County. Since the inspection, food worker certification compliance has not been verified by Environmental Health staff. A billable reinspection has been conducted on this date to verify compliance.

Overall Inspection Comments
