Upon inspection, observed the following:

-Per person in charge, all employees have valid food worker cards. Owner has a copy of all cards with him but has not submitted missing food worker card form.

-Inspector spoke with owner and owner stated he would fax completed form tonight.

Fax missing food handler card form within 7 days to avoid a future charged follow-up inspection at an hourly rate of \$245.

Description: During your last routine inspection, it was noted that your facility was in violation of the food worker certification requirement for San Bernardino County. Since the inspection, food worker certification compliance has not been verified by Environmental Health staff. A billable reinspection has been conducted on this date to verify compliance.
