Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, Schedule of Fees.

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Inspector Comments: The health permit for this facility was suspended due to lack of potable water.

As of this date, the Boil Water Notice has been officially lifted.

The permit is hereby reinstated. The facility may resume full operation.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Inspector Comments: On 3/27/20, the health permit for this facility was suspended due to lack of potable water.

On this date, observed the facility's drive-through service and take-out service to be in operation. Customers could enter the dining area and order at the front counter for taking out. All the dining tables have signs posted stating "Please do not use this table." No inside dining was observed. Observed one of two entrances to be locked. Observed one entrance open with signs stating "Take out service only. Due to recommendations from local authorities, we are moving to take-out only service. Our dining room is temporarily unavailable. We apologize for the inconvenience."

The permit is hereby reinstated. The facility may resume full operation.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

No summary comments have been made for this inspection.

FREE Classes to L.E.A.R.N!

Liaison Education And Risk Network (L.E.A.R.N.) is a FREE class based on the fundamentals of Active Managerial Control and the Centers for Disease Control and Prevention’s five risk factors that lead to foodborne illnesses. Find out when the next L.E.A.R.N. class is by checking our calendar.
