RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments:

This re-inspection was requested by the operator. The health permit to this facility was suspended on 3/27/18 due to evidence of a rodent infestation. The health permit for this food facility was reinstated on this date. This food facility may be reopened for business.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments:

This re-inspection was requested by the operator. The health permit to this facility was suspended on 3/27/18 due to evidence of a rodent infestation. This facility was closed at the time of this re-inspection. After a thorough inspection of the entire food facility, no further evidence of a rodent infestation was observed in this facility on this date. The kitchen floors and equipment were observed to be clean and sanitary on this date. A professional exterminator serviced this facility on 3/27/18. The health permit for this food facility was reinstated on this date. This food facility may be reopened for business. Continue to maintain this food facility in a clean and sanitary condition, and free from vermin, including but not limited to rodents.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

A follow-up inspection will be conducted on 4/4/18 to confirm compliance.
