RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: Environmental Health received a complaint on 3/15/2021 stating complainant observed a mouse under one of the dining tables inside the facility.

Reference - HSC

Questioned manager whether he was aware of the complaint. Manager stated he was aware of the complaint and contacted pest control services to conduct an inspection. Pest control conducted an inspection and preventive control on 3/16/2021. Manager was unable to provide a receipt for these services. Observed facility has installed weather stripping at front entrance doors.

Observed a numerous amount of dried rodent droppings in the following locations:
- in small space underneath stairs
- upstairs dry storage area on the floor along the walls behind several storage racks
- on floor under soda dispensing machine in servers area

Advised manager to maintain facility free of vermin at all times. Any indication of an active rodent infestation will result in the facility's permit being suspended and the facility being closed. Monitor all vermin activity.

No active infestation was observed on this date.

Eliminate all rodent droppings from facility. Clean and sanitize any affected areas. A follow-up inspection will be conducted on 03/18/2021 to verify compliance. Failure to comply may result in an additional billable reinspection charged at \$245 an hour with a 30-minute minimum or a facility closure.

Complaint is closed. Further action is required.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

A follow-up inspection will be conducted on 3/18/2021 to verify compliance. Failure to comply may result in facility's permit being suspended and facility closed or an additional billable reinspection charged at \$245 an hour with a 30-minute minimum.
