Dear Homeowner:

Enclosed is a "Uniform Handling Exemption Request" for July 1, 2009 through June 30, 2010. In order to qualify for an exemption, you must submit a minimum of three sets of four consecutive weekly disposal receipts from a County-owned landfill or transfer station along with the completed application to the Solid Waste Management Division (SWMD).

Exemption requests received on or before June 30, 2009, exemptions will be effective on July 1, 2009. Exemption requests received after June 30, 2009 the exemption will not be effective until the first date of the next billing cycle. For example, applications received between July 1, 2009 and September 30, 2009 will be effective October 1, 2009.

Trash Collection Service Options

If you do not qualify for an exemption you must subscribe to one of the following service options:

1. You may subscribe to weekly, curbside collection of trash and recyclables through Mountain Disposal. This service costs approximately \$19.00 per month and is billed quarterly, in advance. If you choose this alternative, please contact Mountain Disposal at (909) 338-2417.
2. You may subscribe to Clean Mountain Service drop-off service, which features convenient locations in Crestline, Green Valley, Running Springs, and Lake Arrowhead where subscribers can drop off trash and recyclable materials. If you choose this alternative, please contact Mountain Disposal at (909) 338-2417. Clean Mountain Service costs approximately \$13.00 per month and is billed quarterly, in advance by Mountain Disposal. Enclosed you will find a map of the Clean Mountain Sites along the addresses and hours of operation.

Fee Waiver Program

Properties that are primarily vacant may be eligible for a fee waiver if the average daily energy usage at the property is at or below 6 kilowatt-hours per day. Owners that wish to be considered for a fee waiver can submit electricity bills for the most recent 3-month period for the property to Mountain Disposal. Once eligibility is confirmed, Mountain Disposal will apply a credit to the account for that quarter of trash service, please contact Mountain Disposal at (909) 338-2417.

All Applicants: Beginning February 1, 2005, a non-refundable application fee of \$15 in the form of a check or money order (no cash) payable to San Bernardino County must be included with this application.

In addition to the fee and documentation required above, for exemptions to be issued to residents residing in the Valley Region (unincorporated areas of Upland, Chino, Fontana, San Bernardino, Muscoy, Mentone, Colton, Rialto, etc.) residents are required to pre-pay the disposal fee of \$85.14 in order to receive a pre-paid disposal card that will allow the resident to dispose of household trash at a County owned landfill or transfer station. For information on the landfill/transfer station nearest to your residence, call 1-800-722-8004. Refuse Removal requires that all waste, which contains Garbage produced or accumulated in or about a residence, shall be removed from the premises at least once every seven (7) days to an approved Solid Waste Facility. In addition, I understand that all exemptions are conditional and that County Code Enforcement Officers may inspect my property to ensure proper visual and sanitary storage of trash or, if applicable, to ensure that my property is vacant. I also understand that valid complaints from my neighbors regarding the storage of trash on my property or that my property is not vacant will result in the immediate loss of my exemption status. I certify under penalty of perjury that all waste from the premises will be properly handled and disposed of as required above. I understand that as a condition of the continuation of this exemption, my representative or I must re-apply prior to July 1, 2010. I understand that, should it be approved, the County, for good cause, may revoke the exemption.
