# What Happens When It Snows?

Burtec makes every effort to collect your trash and recyclables on your scheduled day. However, we can expect roads to be impossible or unsafe because of snow and ice. To improve collection timelines and customer satisfaction the following Snow Day Program is in effect.

## Here is how it works:

If trash or recyclables collection cannot be made on your scheduled day due to poor weather or road conditions we will be providing the next day or servicable day (you do not need to wait until the next week). This will however, affect collections for the balance of each week ther is a Snow Day delay.

**Example:** If Monday is a Snow Day with no collection...

Monday is collected Tuesday  
Tuesday is collected Wednesday  
Wednesday is collected Thursday  
Thursday is collected Friday  
Friday is collected Saturday

There are no collections provided on Sunday.

If delays of more than one day occur, we will make every effort to service you as soon as possible. Thank you in advance for your support and understanding.

# Holiday Schedule Reminder

Burtec Waste Industries observes the following holidays. When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day.

- Thanksgiving Day
- Christmas Day
- New Years Day
- Easter Sunday
- Memorial Day
- July 4th
- Labor Day
