

The Impact of 20,000 Green Bags:

- ★ 320,000 fewer plastic bags in our landfills EACH MONTH.
- ★ The petroleum used to make 20 plastic bags can drive a car one mile:
 - 320,000 saved plastic bags = 16,000 saved miles
 - This is 10 months of roundtrip commute for one car from the High Desert to San Bernardino.

We CAN make a difference!
