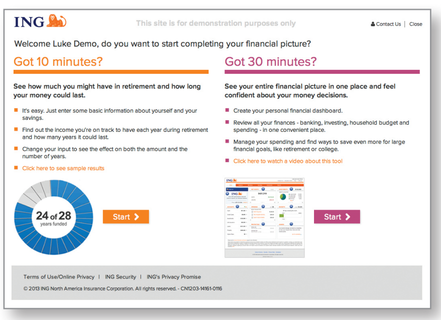
Introducing:

Your Personal Financial Dashboard

All your accounts on one screen. All your priorities in one place.

Planning for retirement is an important financial goal. But competing financial priorities can often get in the way – whether getting rid of debt, saving for college, or even just sticking to a budget. How do you make it all work? This free online planning tool, now available through your retirement plan website, can help. It's an easy way to organize your finances, see where you stand, and make smart money decisions that help you get where you need to go.



Set goals, create budgets, track spending, review investments, and more

Enter as many accounts as you like – checking, saving, credit cards, mortgage, insurance, retirement, and so on. The tool can update your information automatically, so you always have a current view of your complete financial picture, or you can use it to simply view a snapshot in time.

With this powerful tool from ING U.S., you can:

- Organize, analyze and update all your financial information
- Get a Personal Retirement Action Plan to work toward your goals
- Set your priorities and track your progress
- Understand how your assets are allocated across all your accounts
- Know what you're spending and where you're spending it
- Identify ways to reduce debt and increase savings
- Access helpful online workshops

This is your own private financial space – your employer cannot see it, and there are no intrusive ads or emails. The tool uses advanced security features to keep your information safe.

To set up your Personal Financial Dashboard, log into your employer-sponsored retirement savings plan website. From your ING U.S. account home page, click **"Organize"** in the message box and follow the easy steps to enter your information and get started.

From within the tool, click **"Contact Us"** to ask questions and to view the answers to Frequently Asked Questions. You can also call the toll-free number listed to speak with an ING U.S. Retirement Specialist, who can help guide you through the tool.
