PREVENTING DIABETES

Worksite program

Diabetes is a chronic and potentially life-threatening condition that impacts almost every body part. The good news is that type-2 diabetes is largely preventable and can be avoided by taking some simple steps.

This 2-hour seminar will present information on reducing the risk factors linked to the onset of diabetes. Come explore some options aimed at helping you make lifestyle changes in areas such as:

- Making healthy nutritional choices
- Increasing physical activity
- Managing stress

LOCATION

ISD Building
ATC Room
670 E. Gilbert Street
San Bernardino

DATE

11/04/09

TIME

9:30 to 11:30 am
1:30 to 3:30 pm

CLASS ID

27842
27843
