Colton, CA 92324
Phone (909) 580-3135

The Arrowhead Regional Medical Center Foundation was established in 1977 to assist with the management and operation of the San Bernardino County Medical Center, now known as Arrowhead Regional Medical Center (ARMC). The Foundation is a non-profit, public-benefit corporation whose mission is to assist the Medical Center in providing quality health care and health education to our community by enlisting and increasing public and private interest, involvement and financial support.

Funds raised by the Foundation are used to purchase new medical equipment for cutting-edge patient care; provide education of patients and the general public in health-related matters; and support continuing education of physicians, nurses and other ARMC personnel.

Funds have been used to finance large community health and safety fairs at ARMC, during which free health screenings and safety education were offered to the public. Future funds have been designated, in part, to start a scholarship program for deserving nursing students.

Specifically, ARFF strives to promote the spaying and neutering of animals, animal shelter pet adoptions, and responsible pet ownership. What makes ARFF unique, when compared to other animal welfare charities, is 100% of your contribution is used to help the needy pets cared for at the County's Animal Shelters, which include the Big Bear and Devore facilities. Frequently Asked Questions

1. What is the Combined Giving Campaign?

The Combined Giving Campaign is a program that allows employees to donate to charitable organizations through convenient payroll deductions. Currently, the month of October is designated as the Campaign month whereby the County seeks to increase awareness of the Federations and the many benefits of donating to one of the charities listed in this brochure.

2. How many charities may I contribute to through the Combined Giving Campaign?

There is no limit to the number of charities that you can contribute to through the Combined Giving Campaign.

3. What is the minimum and maximum amount that I can contribute?

The minimum contribution amount is \$1.00. There is no maximum contribution amount set by the County; however you should consult with your tax professional regarding the Internal Revenue Service (IRS) maximum charitable donation amount that can be claimed on your taxes.

4. Are my contributions tax deductible?

Your contributions are 100% tax deductible. Payroll deductions are taken on an after-tax basis, but can be claimed when filing your personal income taxes. The Year-to-Date total on your last paycheck of the year should be used as the amount to claim on your taxes. A printed copy of that same paycheck serves as documentation to include with your tax filing.

5. Can I contribute to Combined Giving outside of the designated Campaign month?

Absolutely! You can start, stop, or change your Combined Giving Elections at any time throughout the year.

6. How do I stop my contributions?

To stop an existing election, complete the "Combined Giving Contribution Election Agreement." Check the "Cancel" action box, write in the agency name and code that you wish to cancel contributions for.
