SUBJECT: **BASE STATION REQUEST**

Reza Vaezazizi, MD
Medical Director 

St. Bernadine Medical Center in San Bernardino has requested approval as an ICEMA approved Base Station. Pursuant to the requirements established in ICEMA Base Hospital Selection Criteria - Reference #5020, ICEMA must consider the “overall objectives to minimize duplication of elements of the EMS System that result in needless expenditure of health care or associated resources”.

To establish a need and necessity for an additional Base Station, ICEMA will evaluate any effect on the system at a special meeting on December 18, 2012, at 10:00 am in ICEMA Training Room A. Attendance by you and/or your representative is requested to present any details you would want ICEMA to consider relating to this request. A final decision will be made after all supporting documentation has been submitted and evaluated.

If you have any questions, please feel free to contact Ron Holk, RN, EMS Nurse Specialist, at (909) 388-5808 or via e-mail at Ron.Holk@cao.sbcounty.gov.
