I. CALL TO ORDER

The meeting was called to order shortly after 9:00 a.m.

II. APPROVAL OF FEBRUARY 5, 2013 MINUTES

Unanimously approved.

III. ICEMA UPDATE

A. EMS MISS II Status Report

ImageTrend continues to move forward. Mark Roberts will be setting up trainings as needed. Mammoth Lakes expressed concern that they are going to struggle with ImageTrend because of the infrequency of use for their volunteers. Training will have to continually be the focus for their part-time workforce.

ICEMA recently entered into a contract with EMSA to act as a statewide data repository. EMSA is currently developing roll out meetings to explain process and goals for the future. Mark Roberts is the ICEMA project lead and will be working with other LEMSAs to implement.

Frank Frievault had technical questions concerning ImageTrend. Denice will have Mark follow up.

IV. EMS SYSTEM MANAGEMENT REPORTS

A. Scantron Reports

No comments.

B. Extended Response Time Report

Ray McGrale was unable to attend.

C. Base Hospital Report

IMAGETREND ePCR SOFTWARE

The purchase of ImageTrend Software was approved by the ICEMA's Governing Board in November 2011. ICEMA continues to work with hospital users in the deployment of the Hospital Dashboard. This allows users to view inbound patients and review ePCRs of patients (by hospital) based on security and permissions.

Patient Registry - ICEMA is receiving data from its Trauma, Stroke and STEMI registries. ICEMA received an upgrade to V3.0 on 9/17/2013. This will add more functionality for the hospitals.

Disaster Recovery (DR) Site - The purpose of the DR site is in the event our main servers go off line for an extended period of time we can activate the DR site and bring our systems back online. The next scheduled exercise is October 17, 2013.

Hospital Dashboard - September 1, 2013, ICEMA discontinued providing consumables for the hospital printers. The printers will remain at each hospital as a backup, if needed. Hospitals can print and access all patient care reports from the Hospital Dashboard.
