**SUBJECT: TEMPORARY RELOCATION AT COMMUNITY HOSPITAL OF SAN BERNARDINO**

---

Community Hospital of San Bernardino has notified ICEMA that its ambulance parking and entrance to the Emergency Department (ED) will be relocated due to expansion beginning September 30, 2013. Ambulances will be directed to the "MD" parking on the south side of campus which is just to the east of the current entrance to the ED. The entrance to the ED will be posted and security will be available for assistance. It is estimated that this relocation will last approximately 12 weeks.

If you have any concerns or questions regarding the rerouting of the ambulances, contact Kari Gaston at (909) 806-1598 or via e-mail at [kari.gaston@dignityhealth.org](mailto:kari.gaston@dignityhealth.org), or Tamre Del Valle via e-mail at [tamre.delvalle@dignityhealth.org](mailto:tamre.delvalle@dignityhealth.org).

Please ensure that notification of this closure is circulated to all your involved staff members, particularly the crews and dispatchers. If the above information changes in any manner, we will advise you immediately.
