SUBJECT: REQUEST FOR COMPLETION OF SUBMERSION INCIDENT REPORT FORM

The Submersion Incident Report Form (SIRF) was developed in 2004 in coordination with the SafeKids Inland Empire organization, Riverside Public Health Agency, and the Drowning Prevention Network. The information collected from this form provides valuable data for analyzing all aspects of near-drowning or drowning incidents for prevention, education and awareness. With the support from San Bernardino County Fire Chiefs Association and EMS Officers, ICEMA would like to encourage all EMS providers to participate by completing the SIRF.

For easy access, the SIRF PDF is located on the ICEMA website at <http://www.sbcounty.gov/icema/main/ViewFile.aspx?DocID=1797>. In addition, each EMS provider may attach the SIRF form as a PDF onto the laptop or tablet and/or add service defined questions to the ePCR. Please ensure that the completed SIRF document is sent to **Michelle Parker** via e-mail at mparker@llu.edu or faxed to (909) 558-4219.

Thank you in advance for your cooperation. If you have any questions or need further assistance, please contact Chris Yoshida-McMath, RN, EMS Nurse Specialist, at (909) 388-5803 or via e-mail at Chris.Yoshida-McMath@cao.sbcounty.gov.
