**SUBJECT: ICEMA/REMSA REGIONAL REDIRECTION PILOT PROGRAM
CONTINUATION**

The Regional Redirection Pilot Program that began on May 1, 2015, has been extended from November 1, 2015 through November 30, 2015, for Ambulance Patient Offload Delays (APOD) cases exceeding 90 minutes with the same parameters as the original pilot program.

Extending the pilot program will allow time for further analysis and discussion in the APOD Task Force.
