**SUBJECT: RESOURCE REQUESTS**

Inland Counties Emergency Medical Agency (ICEMA) would like to express our deepest sympathy and heartfelt condolences to the County of San Bernardino Department of Public Health and the entire county family and others affected by the tragic events this past week. ICEMA also wishes to extend our sincere appreciation to the county-wide Emergency Medical Services (EMS) providers for their support and outstanding response throughout the Waterman Incident. San Bernardino County stands united and strong as we continue to serve through this very difficult time.

The ICEMA EMS Administrator is functioning as the Medical and Health Operational Area Coordinator (MHOAC). The MHOAC is responsible for assessing the needs for medical resources within the Operational Area. The MHOAC will coordinate all requests for the medical or health resources required in support of the Waterman Incident.

ICEMA maintains a 24 hour, seven days a week (24/7) on call EMS Duty Officer (EMSDO) as the primary Point of Contact (POC) for the MHOAC and the San Bernardino County Department of Public Health. The EMSDO can be accessed at [ICEMADutyOfficer@cao.sbcounty.gov](mailto:ICEMADutyOfficer@cao.sbcounty.gov) or at (909) 208-8618.

ICEMA is preparing an after action review of the EMS response to the Waterman Incident. More information will be forwarded to you as it is finalized.

If you have any questions, please feel free to call contact me at (909) 388-5830 or via e-mail at [Tom.Lynch@cao.sbcounty.gov](mailto:Tom.Lynch@cao.sbcounty.gov).
