About Us...

American Medical Response (AMR) is the nation's leading private medical transportation company, providing ambulance service to more than 4 million people a year. We have more than 18,000 caring employees who serve over 250 communities nationwide. We offer excellent pay and benefits including 401(k) with company match, plus career development with opportunity for advancement.

AMR is proud to be an organization that is patient focused, caregiver inspired, and customer centered.

Who We Are Looking For...

We are looking for Paramedics, who are compassionate, smart, caring, and dedicated to clinical excellence. We recognize that our ability to provide superior service, and keep our company growing, will depend on the professionals that we hire. At AMR, employees are our strongest asset.

Must have the following certifications!

- Ca Drivers' License
- Ambulance Driver's License *(from DMV)*
- Medical Examiner's Card or DL51 *(from DMV)*
- State of California Paramedic License
- CPR Card *(American Heart Association ONLY, Health Care Provider. Hand written cards are not acceptable)*
- ACLS Card *(American Heart Association ONLY, hand written cards are not acceptable)*
- PALS *(American Heart Association ONLY. hand written cards are not acceptable)*

Make a Difference.

Our Mission Is To Make A Difference By Caring For People In Need.
