2. Bring copy of current or expired EMR certificate on the first day of class.

CLASS SIZE IS LIMITED 20

The primary focus of the Emergency Medical Responder (EMR) is to initiate immediate lifesaving care to critical patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide lifesaving interventions while awaiting additional EMS response and to assist higher level personnel at the scene and during transport. EMR function as part of a comprehensive EMS response, under medical oversight. EMR's perform basic interventions with minimal equipment.

This course is a manipulative and technical training course in emergency care procedures, including, examining cardiopulmonary resuscitation, controlling bleeding, treating cerebrovascular injuries, treating shock, treating seizures, childbirth. Performing manual lifts and carries, triage, oxygen therapy, diagnostic vitals signs, WMD awareness and improvising and arranging/transportation. This course meets present public safety emergency care requirements for fire service personnel as outline in CCR Title 22, Division 9, Chapter 1.5 " First Aid Standards for Public Safety Personnel."

Persons who successfully complete program will receive course completion certificate in order to apply for EMR certification through the local EMSA.

CANCELLATION POLICY

Students MUST notify Sandra via e-mail at squiroz@sbcfire.org at least 5 BUSINESS DAYS prior to the class start date if they wish to cancel. Failure to make proper notification will result in forfeiture of the class fee. Students who make the proper notification will have their payment returned as soon as possible.

CODE OF CONDUCT

Appropriate dress for class is required. It is the student's responsibility to maintain a clean, neat and professional appearance. Some courses may require the wearing of uniforms or special attire. Course coordinators and/or course announcements may specify either a style or type of dress for a specific course. Acceptable dress includes:

- Department Uniform
- Males: Casual business slacks and shirt with collar
- Females: Casual business slacks and shirt with collar or blouse, or business dress

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS and PALS and had developed instruction materials for this purpose. Use of these materials in any educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such courses, except for a portion of fees needed for AHA course materials, do not represent income to the American Heart Association.
