

# Stroke and STEMI Mini-Conference

*Join us for an informative and interactive discussion!*

*Dr. William Knight* will be sharing on the optimizing of patients with acute ischemic stroke. While our very own *Mikey Thompson, RN* and *Freddie Portillo BSN, RN* from Cardiovascular Lab will discuss the recognition and treatment of STEMI patients.

## **eObjectives**

- *Define the pathophysiology of a stroke and STEMI.*
- *Describe the essential elements of identification of these conditions.*
- *Discuss treatment modalities for both stroke and STEMI.*
