SUBJECT: NOVEL CORONAVIRUS OUTBREAK UPDATE

The information related to the 2019 Novel Coronavirus (2019-nCoV) is changing on a regular basis. As a result, the San Bernardino County Department of Public Health and the Inland Counties Emergency Medical Agency recommend monitoring the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) websites for definitive information and updates.

Healthcare facilities should also sign up for California Health Alert Network (CAHAN) to receive updates directly.

CDC: <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

CDPH: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/nCOV2019.aspx>

CAHAN: <http://cdphready.org/california-health-alert-network-cahan/>

Personal protective equipment recommendations remain unchanged. Airborne and droplet protections for emergency medical services and healthcare providers remain in effect.

If you have any questions, please contact the ICEMA Duty Officer at (909) 208-8618.
