MISSION STATEMENT: The Crafton Hills College mission is to change lives. We seek to inspire our students, support our colleagues, and embrace our community through a learning environment that is transformational. Crafton Hills College welcomes everyone and is committed to working with students from diverse backgrounds. The College has an exceptional learning environment built on a tradition of excellence, a talented faculty, a driven student body, a committed staff, with passionate leadership and community support

WORK DAYS/YEAR: 175

JOB DESCRIPTION:

This is a full-time tenure track position teaching Emergency Medical Services (EMS). Crafton is actively seeking to increase the number of faculty of color so that we may create a workforce that more closely mirrors our students and our service area. For example, Crafton has a much lower percentage of Full-Time faculty of color (21%) than students (54%) of color. Our goal is to create a workforce that is inclusive of race, sexual orientation, gender, values, different backgrounds, political, and religious beliefs. Accordingly, the successful candidate will demonstrate a commitment to integrating equity and inclusion in all aspects of their work. The primary teaching assignment involves teaching emergency medical services courses, which may include both basic (EMT) and advanced (Paramedic) subject matter.

EXAMPLES OF DUTIES:

Responsibilities of the position include, but are not limited to:

- Incorporate equitable teaching practices within all courses taught within the disciplines.
- Teaching assigned courses in a manner consistent with academic professionalism, departmental standards, and course outlines of record
- Performing duties related to program review, curriculum design and planning
- Use teaching methods that promote peer support for academic achievement, meeting the needs of a diverse student population.
- Maintain regular office hours.
- Assess Student Learning Outcomes and plan for improvement.
- Maintain and submit accurate records.

- Work collaboratively with other faculty to develop and improve curriculum to support student success.
- Actively participate in shared governance and individual faculty responsibility outside of the classroom.
