CONFLICT OF INTEREST CODE FOR THE INLAND COUNTIES EMERGENCY MEDICAL AGENCY

The Political Reform Act, Government Code Section 87100, et. seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, which contains the terms of a standard conflict of interest code. It can be incorporated by reference, and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs. Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which members and employees are designated and disclosure categories are set forth, constitute the conflict of interest code of the Inland Counties Emergency Medical Agency.

Designated employees shall file their statements with the Inland Counties Emergency Medical Agency, who will make the statements available for public inspection and reproduction. (Gov. Code Section 81008) Statements for all designated employees will be retained by the agency.

NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE
OF THE INLAND COUNTIES EMERGENCY MEDICAL AGENCY

NOTICE IS HEREBY GIVEN that the Inland Counties Emergency Medical Agency (ICEMA) pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict of interest code. A comment period has been established commencing on May 9, 2023 and closing on June 23, 2023. All inquiries should be directed to the contact listed below.

ICEMA proposes to amend its conflict of interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict of interest code include: adding all Staff Analyst levels to the designated employee positions and also make other technical changes.

Information on the code amendment is available on the agency’s intranet site and/or attached to this email.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than June 23, 2023, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than June 8, 2023.

ICEMA has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to: Amber Anaya, Assistant EMS Administrator, 909-388-5824, Amber.Anaya@cao.sbcounty.gov.
